

CONSHOHOCKEN

is proud to sponsor the 23rd Annual

Rookie Open

Monday July 19th
North Hills Country Club

all proceeds to benefit the "Shannon Austin Fund"

Shannon in 2007

Shannon Austin was hit by a car on November 9, 2007 at age 14 after volunteering at the Church Christmas Bazaar. Shannon has a Traumatic Brain Injury (TBI) and requires a stomach feeding tube for her nutritional needs, she has a trach tube for breathing. She not have use of her arms and legs. Her family feels deep in their hearts that will change. Shannon has undergone almost 30 surgeries and has been a real trooper through every challenge but her journey will be many years. She is very alert and does make sounds. She has even been smiling lately. Shannon is the only child of Kevin and Vickie (Cabot) Austin of West Norriton. Their small cape cod was perfect before the accident. Now that Shannon has returned home the entire house needs to be remodeled and refitted to not only be handicapped accessible but to accommodate all of the equipment and supplies that are needed to care for Shannon. Many hours have been spent hours searching for grant money but there is little available for Shannon's condition and the waiting time is well over a year. The home remodeling needs to be done as soon as possible. Please help us help Shannon by participating in this years Rookie Open.

Shannon in 2009

Registration begins at 10:00 AM
Shot Gun Start 12:30 PM
